YES

OFFER FOR COLLABORATION

IF YOU PROPOSE YOURSELF AS A PARTNER IN A CONSORTIUM, PLEASE DETAIL YOUR EXPERTISE

Short description of the areas of interest and expertise (Max. 2000 words):

Our team is formed by surgeons and researchers, clinicians and oncologists. We have experience in treatment of the oncological patients, particularly thyroid cancer patients. We have a high capacity to recruit patients with thyroid cancer and we are able to collect a lot of cytological (fine needle aspiration biopsy material) and histopathological specimens.

Key words: patients, thyroid cancer, fine needle aspiration biopsy material
